

Community Youth Group
Igniting youth on fire for the Lord

www.IgniteYouthGroup.org

Dear Brothers and Sisters in Christ,

In case you haven't heard, we are very excited to tell you a little bit about a new community youth group that has hit this area!

Thanks to the prayers and support of many churches and volunteers, we were able to kick off **Ignite Community Youth Group** in September 2018. This is truly a community group and we have volunteers from 7 different churches! We have met three times so far, with an average of 60 kids in grades 1-12. Last meeting, we hosted a Nerf War and had over 100 youth come out!

We meet at the East Brady Community Center monthly for "not just a plain old youth group" but a time of games, delicious snacks, great prizes and so much more. **Ignite's** goal is for the kids to have an awesome time while learning about God with kids who are not just from their home church, but with kids from all over the communities. This allows all churches, no matter how big or small to have an active youth group!

Because of the generosity of some donors we have been able to host these events, but we are definitely in need of help from churches and individuals so that this awesome ministry can continue. Each month we spend approximately \$200 for the rental as well as supplies in order to give these kids a fun, worthwhile evening that will keep them interested in not just returning, but bringing their friends!

If you have youth that might be interested, leadership that may like to be a part, or if you have funds available that may help us make an impact on the lives of our youth, we need your help!

For more info, visit www.IgniteYouthGroup.org or call or text Pete Sapp at (724)590-0452. Attached you will also find a story recently written about our group which was printed in the Leader Vindicator.

If you have means and desire to help us financially, words cannot express how much it would mean to us. Please send checks made payable to "Ignite" to:

Together we can advance His kingdom and proclaim Jesus through this community to kids & their families! Let us together ignite our youth on fire for the Lord!

Sincerely,

The Leadership of Ignite
